ANNCR: There's a reason to get excited about paint when you're painting with Behr. It stands up to scrubbing better than any other. Has the whitest base coat, giving you the truest final color. And you'll find it only at The Home Depot. Rated number one by an independent study four years in a row, you won't find better prices on such quality paint anywhere else in New England. Need help coordinating colors? Our exclusive Behr ColorSmart system can help you find gorgeous combinations in seconds.

HUSBAND: You're acting really strange.

WIFE: I'm not acting wee-id.

HUSBAND: I didn't say you were acting wee-id – oh, fuggedit. Get in the cah.

ANNCR: The Home Depot. You can do it. We can help.
