ANNC: And now, the story of the Old Woman Who Lived In A Shoe—as told by a Trusted Choice insurance agent.

AGENT: There once was a woman who lived in a shoe, and one night a tree crashed through her roof.

Fortunately, she got her insurance through her local Trusted Choice insurance agent, who offered her a choice of insurance companies and helped her find one that covered, well, giant footwear.

Her kids went to college and, um she bought a townhouse.

The end.
