

Smarter Self Radio

We are looking for a Caucasian <sup>M/F</sup> ~~woman~~ in ~~late~~ mid-30s to 40 with the ability to play both the Angel and the Devil parts. The challenge is that the listener must be able to clearly differentiate between the two halves of ~~her~~ personality. So here's an opportunity for an ~~actress~~ to show off her acting chops.

WE WOULD USE THE SAME ACTRESS BUT MAKE HER VOICE LOWER FOR THE DEVIL, SLIGHTLY HIGHER FOR THE ANGEL.

ANNCR: Why are you still debating with yourself about switching to Cable ONE Phone?
