

ANNCR: Male 35 – 45. Friendly, straight-forward delivery. Please read the last paragraph "No purchase necessary...Sponsor: Citgo Petroleum Corporation" at a faster/legal delivery speed.

VO: Female 30 – 40. Warm, friendly.

“Mars”

ANNCR (MALE): How far can a gallon of gas go?

VO (FEMALE): Let’s see. A volunteer delivers a book to a child.

She develops a passion for reading.

Her grades improve.

She falls in love with science.

Graduates top of her class.

And is accepted to the Air Force Academy.

A few years later she is part of a team that sends a rover to Mars.

ANNCR: So how far can a gallon of gas go? About 46 million miles. Every year, the CITGO Fueling Good program rewards charities like Bess the Book Bus with the gas they need to make a difference. Visit fuelinggood.com and vote for your favorite cause today.

ANNCR (LEGAL SPEED): NO PURCHASE NECESSARY. Voting open to legal residents of the United States. One vote allowed per day per voter. Voting ends August 11th, 2011. For official rules visit fuelinggood.com. Sponsor: CITGO Petroleum Corporation.
