

FREYA - (12 years old)

FREYA is strong, confident and smart but still goofy enough to fit on this ship of fools. She's able to fool the crew into getting her way because she's the only one who knows how to read. She loves to read and because she CAN sometimes she over-reads even the most basic of words and kind of lords it over the others in a pretty obnoxious way...but funny. FREYA thinks she can outwit anyone, but sometimes she needs a shoulder to cry on when she feels emotional. She has one major weakness, she almost loses her mind when she sees a horse. The eyes get all full of color and sparkles and she loses her head...
"HOORRSESSSS"!

4. FREYA (COMTEMPLATING LIFE)

I have heard tales of strong bearded ladies and girl warriors with most noble moustaches, but sometimes I feel like I was never meant to have a beard. Will my whole life be less because animals and birds can't find a place to live on my face... oh Beetlenut, what's wrong with me?? (sob!)

5. FREYA (OVER THE MOON)

What is that? Is that what I think it is!? IT...IS...AHOOOORRRRSSE! I ..LOVE...HOOORRRSEESS! (Drool) PRETTY... SOOO... PRETTY... BEAUTIFUL... I WANT ONE! I want to ride it and pet it and hug it and I'll name it 'Beautiful!' or "Mr. Beautiful!" No! "Princess Beautiful!"
Awwwww...she's a Princess!
