

EXT. DRAGON ACADEMY - DAY

CLOSE ON - GUSTAV, the 12 year old MINI SNOTLOUT appears, riding a SHEEP with crudely-made dragon wings on it. He's carrying Gobber's FLAMETHROWER SADDLE (from Ep. 1002).

GUSTAV
Come on, boy. Let's fly!

He spurs the sheep, who hops around in a circle as Gustav shoots flames everywhere.

GUSTAV (CONT'D)
Hahahahah!

He accidentally lights a bale of hay on fire.

GUSTAV (CONT'D)
Oh no, oh no...
(to his sheep)
What do we do? What do we do? What
do we do?!

Just as the flames are about to reach the weapons rack, a splash of water falls, seemingly from the sky and extinguishes them. Hiccup and Toothless jump down.

HICCUP
Gustav, how many times have we told
you that you can't play in here!

GUSTAV
I'm not playing, I'm Dragon
training!

EXT. FOREST - LATER

Gustav wanders through the woods, dragon-shopping as if he were in the cereal aisle at the supermarket. He spots a group of Terrible Terrors.

GUSTAV
Terrible Terrors... Whatever.

The Terrors immediately begin blasting him, forcing Gustav to run away.

GUSTAV (CONT'D)
Whoa! AHH!

Gustav hides underneath a log, only to attract the attention of a Deadly Nadder.

GUSTAV (CONT'D)
 (looking around)
 Deadly Nadder... too spiky.

Gustav stops in his tracks, his eyes widening as he comes upon an adolescent Monstrous Nightmare.

GUSTAV (O.S.) (CONT'D)
 (reciting ala Snotlout)
 Monstrous Nightmare... the most
 lethal dragon in the known world.

Gustav slowly approaches the young dragon.

GUSTAV (CONT'D)
 Not just anybody can handle one of
 these bad boys.

Gustav cautiously attempts to climb aboard the wild Nightmare.

GUSTAV (CONT'D)
 But I'm not just anybody--

The Nightmare flames up, bucking Gustav off his back.

GUSTAV (CONT'D)
 WHOA!

EXT. DRAGON ACADEMY - DAY

Gustav, his clothes smoking and his face covered in soot, tumbles off the back of his dragon, but pops right back up to his feet.

GUSTAV
 I meant to do that.

HICCUP
 Gustav, what're you doing here?

GUSTAV
 You said you didn't have time to
 train me so I found my own dragon
 and trained myself. Fellow dragon
 riders, I'd like you all to meet my
 dragon, Fanghook.

HICCUP
 Gustav, we told you, there's more
 to being a dragon rider than just
 riding a dragon. You have to form a
 bond... a relationship...

GUSTAV

We have it! Test us, I'll prove it!

The twins start chanting "Test him! Test him!" Hiccup turns to Gustav.

HICCUP

You know what, Gustav? You're absolutely right.

Toothless BLASTS the arena floor. Hiccup draws an X on the blast mark.

HICCUP (CONT'D)

(to Gustav)

Let's see you do a lap around the arena and land on this "X."

GUSTAV

Alright, Fanghook. Fire it up!

Gustav jumps onto Fanghook's back and they take off.

EXT. FOREST - CONTINUOUS

Snotlout pulls up beside Gustav and Fanghook as the Berserkers close in with their dragon trap.

SNOTLOUT

I'll take the pole on the right, you take the one on the left.

GUSTAV

No way, I'm getting out of here.

SNOTLOUT

You're not going anywhere. You wanted experience? This is how you get it.

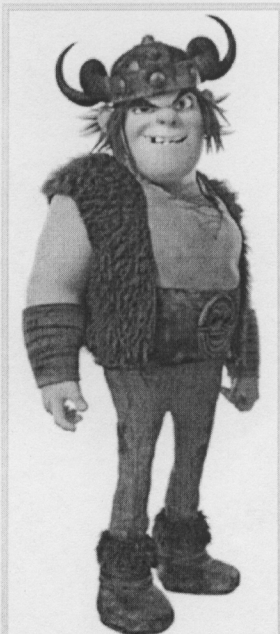

GUSTAV

I don't know, Snotlout. I don't think I can do this.

Snotface Snotlout ▼

Snotface Snotlout, known as **Snotlout Jorgenson** in the film, is the snout-nosed son of Hiccup's uncle, Baggybum the Beerbelly, making him Hiccup's cousin. Snotlout hopes to be the chief one day despite the fact that Hiccup is the true heir; however, if something were to happen to Hiccup, Snotlout would be next in line for the position. The two are well aware of this fact which has spawned a hatred between them. Unlike his cousin, Snotlout is strong, hearty, and excels at being a Viking. He owns a Monstrous Nightmare named Fireworm, despite a longstanding Viking tradition stating that only the son of the chief can possess one.

In the film

Snotlout in the film.

In the film, he is seen without his titular snout and has an obvious crush on Astrid. He tries on several occasions to flirt with her through various means, such as by "impressing" her with his strength or ability to block out the sun, though he fails each time. When Hiccup teaches the viking youths how to befriend dragons, Snotlout seems to be the only one who is actually afraid, reaching for a spearhead before Astrid discourages him. Under Hiccup's tutelage, he successfully befriends a Monstrous Nightmare, which he flies during the battle with the Red Death, though he is knocked off and forced to attack its eyes head on (and is somewhat successful).

He is never mentioned to be Hiccup's cousin in the movie (though it is mentioned in the website).

Although he would often taunt Hiccup over his lack of skill, he never seemed to hold the same level of dislike for him that he did in the books. When Hiccup starts doing well in Dragon Training, Snotlout quickly joins the ranks of his adoring fans. When Hiccup is shown to have survived his encounter with the Red Death, Snotlout actually sheds a tear in relief.

Riders of Berk

In the TV series, Snotlout is a main character. Like Ruffnut, he has a different voice actor, as Johan Hill wanted to focus on other things. His dragon, Hookfang, often disrespects Snotlout, and almost never follows his commands. When the dragons are exiled, Hookfang is the only one to run away.

Trivia

- Snotface's helmet has ram horns.
- In the film, a man is seen at Stoick's side who bears a remarkable resemblance to Snotlout. This man is Spitelout, Snotlout's father, but in this version, he is not Stoick's brother.
- He has a Monstrous Nightmare named Fireworm in the books (in the film, its name is Hookfang).
- Snotlout was originally gonna be a girl in the film
