Humans are generally optimistic. They're curious about the world and other cultures. To some, their optimism smacks of naivete but few can argue that they get results. Humans naturally build communities, even as nomads, a trait that has helped to keep their culture strong. It made perfect sense that they took--and continue to have--a prominent role in the Valkyon Federation, and that they are highly valued as diplomats and leaders.

HUMAN FEMALE

Learn through practice or learn through scars.

HUMAN FEMALE

Sharpen your weapon, sharpen your mind.

HUMAN FEMALE

Now practice a thousand times.

HUMAN FEMALE

Come back when you've mastered more.

HUMAN FEMALE

I doubt we should be speaking.

HUMAN FEMALE

Is this a waste of my time?

HUMAN FEMALE

Move along, would you?

HUMAN FEMALE

Don't feel like you have to come back.
