

# Mrs. Cohenberg

**Biography:** Deborah's mom. She also is a liberal bourgeois Jew. She is a working woman and the bread winner of the family who is too busy to know what's going on with her family. She tries to get up to speed on the weekends and nights, but she fails miserably. **(RECURRING)**

## Sides:

"Go ask your father."

"Honey, I have to take this call."

"Mrs. Lee, don't you think Kim is too young to be babysitting James? She is after all, only in elementary school..."
